

Read Anywhere, Anytime you want!

At Fondulac Library you can now check out books electronically, and read them on either your PC or handheld device.

Some pocket-sized devices can hold the equivalent of dozens of books.

It's great for travelers!

No Return Required!

When your checkout time elapses the eBook file "expires" on your PC or device and becomes available for the next patron.

▶ Borrowing books has never been more convenient!

Any card-holding patron of the library may borrow eBooks either from home or from a terminal at the library.

- An entire library of books is at your fingertips anytime, anywhere.
- Books can be downloaded and ready to be read within minutes.

- Unlike print books, eBook devices have a back light and the ability to adjust the font size to make reading easier on your eyes.

- Books are automatically returned on time - no late fees to worry about.
- Electronic books don't take up any space and dozens can be carried with you at one time - depending on the memory capacity of your device.

Getting Started

1. Go to www.fondulac.lib.il.us
2. Click on the library's eBranch link.
3. Follow the directions listed under "eBook Library Basics".

Some pocket-sized devices can hold the equivalent of dozens of books.

You can read eBooks for the loan period of 7-14 days, after which time it will expire and become unreadable. You may borrow it again if no other patron has borrowed it.

There is a limit of 3 eBooks borrowed by any patron at a time.

Please feel free to call or visit the library if you have any questions or need further assistance.

What's an eBook?

eBooks are electronic versions of print books that can be downloaded from the internet and read from a computer screen or handheld device such as a Palm or Pocket PC.

What do I need?

You'll only need the following:

1. A valid library card
2. A computer or handheld device
3. An internet connection

If your device has an Infrared (IR) port you may use one of the library's internet computers to borrow eBooks.

4. Mobipocket Reader installed on your computer or device. (This free software allows you to read the eBook you borrow.)

Please Note: An internet connection is no longer necessary once the eBook has been downloaded.
